Highlights

Strength select option

Prepare your favourite cup of coffee by adjusting the strength and intensity of its taste. With the strength select option you can choose between mild, normal and strong coffee.

Adjustable spout

By raising or lowering the adjustable spout, you can accomodate your SENSEO® coffee machine to your favourite cup or mug.

Delicious coffee foam layer

The fine Douwe Egberts SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Unique brewing system

Unique SENSEO® coffee brewing system from Philips and Douwe Egberts. Every cup is freshly brewed and prepared with the ultimate balance between coffee and water - a guarantee for a smooth, full taste and delicious aroma.

Automatic shut-off

With this function, your SENSEO® coffee machine automatically switches off after 30 minutes, allowing you to save energy.

Large coffee pod variety

Each SENSEO® coffee variant is a harmonious blend of aromas and flavours with its own dinstinctive taste. The smooth crema layer completes your enjoyment.
